MEETING AGENDA:

I. INTRODUCTIONS – Mustafa Igdelioglu

II. TREASURER’S REPORT / AND ACEC UPDATE - Dave Oxley

- We have about \$6,000 in the bank, as typical for this time of year. The May seminar will refill our coffers.
- ACEC Annual Meeting is on May 17 at the Minneapolis Club.
- Legislature is about 6 weeks from end of session. Not much of interest is happening. Legislature is focusing on state income tax primarily. ACEC is supporting a bill that will dedicate sales tax from auto parts sales to road projects. There is some opposition from other special interest groups who don’t want to see this funding earmarked. The bonding bill is pending, and we probably won’t know details until the very last minute. The P3 bill is done for this year but will be returning.

III. COMMITTEE UPDATES

A. MNSEA Steering Committee – Mustafa Igdelioglu

i MNSEER Committee – Douglas Fell

- Committee is just getting started. An email soliciting members was sent yesterday. Contact Doug Fell if interested (DFell@walkerconsultants.com).

ii MNSEA Annual Seminar and Trade Show – Andrew Agosto

- May 8th: “The Great MNSEA Get-Together”
- Special Structures: because Andrew is the retractable roof guy.

MNSEA Minnesota Structural Engineers Association

PRESENTERS:

Dan Murphy, Meyer Borgman Johnson, CEO

Andrea Barker, AELSLAGID Assistant Executive Director

Matt Kaehler, AELSLAGID Board Investigator.

Dan Murphy, P.E., is CEO of Meyer Borgman Johnson, a sole discipline structural engineering firm in business since 1955. Dan joined the firm in 1974, the year he graduated from the University of Minnesota with a B.S. in Civil Engineering. His 44 years of experience as a structural engineer comprises a broad range of structural design systems, materials, and delivery methods. A principal of the firm since 1982, he has led some of the firm's largest and most complex projects, requiring unique and creative design solutions. Dan is a member of the Structural Advisory Committee for Building Codes and Standards for the state of Minnesota and serves on the State's board of registration for professional licensing (AELSLAGID). He is National Director and Past President of the American Council of Engineering Companies of Minnesota, a Life Member of ASCE, and a past board member of ACE Mentor Program of America. In 2006, he was the American Institute of Architects-Minnesota Special Award honoree for his "significant contribution to the built environment" as a structural engineer.
