

APPLICATION FOR MEMBERSHIP

The Minnesota Structural Engineers Association (MNSEA) represents structural engineering firms throughout the state and provides a forum to improve the quality and practice of structural engineers. To join as a "firm", please fill out the information below and submit this form with the \$150 annual membership dues to MNSEA. Your payment will cover the period from July 1st, of this year to June 30th, of next year. Please make checks payable to MNSEA. We look forward to your participation in the association. If you have any questions, contact the current MNSEA President, or the Membership Committee Chair listed on the webpage, or the ACEC/MN office listed below.

For your information, each "paid" MNSEA member firm is allowed to have two voting members, who may be called upon throughout the year to vote on various items such as new officers, by-law changes and new policies. Please include the names of the 2 voting members from your firm below.

In addition to the designated "voting members", all other employees of any "paid" firm may attend a MNSEA function at the "member" price. Please include any additional names & contact information of employees who will be regular MNSEA Monthly Meeting attendees, so they may receive email notices & information.

Firm Name _____

Voting Member _____ Voting Member _____

E-mail _____ E-mail _____

Phone # _____ Phone # _____

Fax # _____ Additional Members _____

Note: If your firm is not a member of ACEC/MN, please complete the following information:

Address _____

City _____ Zip _____

All member firms of ACEC/MN providing structural engineering services are welcome to join MNSEA. Firms that are not members of ACEC/MN are welcome to join, and though membership in ACEC/MN is not required, it is strongly encouraged.

Please submit this form and your \$150 annual membership dues to:
