## MNSEA NCSEA Live and Recorded Webinars

We are excited to provide additional educational resources for our members. In addition to monthly breakfast meetings and annual seminar, we have now obtained unlimited access to NCSEA live and recorded webinars and are extending this benefit to you. MNSEA members now have the following with no additional cost:

- Unlimited access to all live NCSEA webinars; 25+ a year
- Full access to the NCSEA Recorded Webinar Library 24/7/365—more than 120 webinars
- Includes an unlimited number of free CE certificates so multiple people can view and receive credit

If there is an upcoming live webinar or a recorded webinar you are interested in, you will be able to watch it at your firm. MNSEA will cover the cost of the webinar (\$225 to \$275 per webinar – live or recorded). We only require that you welcome other individuals, who are MNSEA members, so they can also attend the webinar.

If you have any questions, feel free to contact Mustafa Igdelioglu at 952-832-2600 or [migdelioglu@barr.com](mailto:migdelioglu@barr.com)
